

About your benefits

In-home support services at no cost to you.

Your emotional and mental health are just as important to us as your physical health. We've teamed up with Papa (papa.com/members) to offer in-home support services that help keep you connected to your community at no additional cost.

If you choose to take advantage of this benefit, you'll have access to a Papa Pals companion who can offer:

A helping hand with household tasks

A ride to visit family

Technology assistance

Companionship and more!
