

# Save money with the new **OTC** *plus* Card

## Now with groceries, too!

This **free** card gives you **\$600** to spend each quarter through 2021 only on eligible over-the-counter (OTC) health items and healthy foods.\*

## How it works

Once you become a member, we will send your pre-loaded card in the mail. It will have a special benefit of **\$600** automatically added to the card at the beginning of each quarter through 2021 only. Any money left on your card at the end of each quarter will expire. It does not carry over to the next quarter.

**You will want to use the money on the card before the end of each quarter to get the full \$600.**
